LETTER OF REFERENCE FOR SAM WILSON

Sam attended our training courses and spent his work experience block with us in the summer of 2013. During that time he showed an excellent level of enthusiasm and willing, working long hours of physical work in the field and assisting with species information preparation and administrative tasks in the office. We were delighted with his contribution during his voluntary time with us and can recommend him as a reliable person for any employment opportunities that he may pursue.

Please do not hesitate to contact us should you have any further questions.

Yours sincerely
